Dear Mike:

Just a quick note of thanks for your help in setting up the wireless Internet demonstration held in conjunction with the recent visit of Hilton's Hotel Division President and the Senior Vice President of Marketing. Both were impressed with our system. The special "splash" page was an excellent touch, but best of all, this wireless offering sells itself because it works.

We appreciate your support and look forward to working with you to ensure the Hilton Hawaiian Village becomes the model facility for state-of-the-art wireless connectivity.

Mahalo,
Peter Schall
